TRAFFIC VIOLATOR SCHOOL CLASSROOM LOCATION LIST FOR THE COUNTY OF LOS ANGELES

TRAFFIC VIOLATOR SCHOOL MONITORING (TVSM) PROGRAM
COMMUNITY DEVELOPMENT COMMISSION (CDC)

IMPORTANT! PLEASE READ:

Any person(s) involved in the offering of, or the soliciting for, a completion certificate for school attendance in which the person receiving the certificate does not attend, or does not complete the minimum required time of classroom instruction, may be found guilty of violating Section 134 of the Penal Code, a felony. Please contact our Fraud Hotline at (800) 555-4452.

CLASSROOM TRAFFIC SCHOOL

Within the County of Los Angeles, following the name of each judicial district appearing on page 2, is a listing of the cities in which classes are offered within that area. Each city is numbered; the city numbers are noted after each traffic school name to show the cities in which a specific school offers classes.

Outside the County of Los Angeles, please call (800) 555-4452 and request a Department of Motor Vehicles (DMV) Statewide Traffic Violator Classroom Location List to be mailed to you.

HOME STUDY

Please note that home study traffic school is NOT permitted for the following:

1. If you have been ordered by the Court to take a 12-hour traffic school course.
2. If you are a minor (under the age of 21) or juvenile driver (under the age of 18) without a permit, an instruction permit, a provisional driver's license or junior permit.
3. If you have attended traffic school on a previous violation that occurred within the last 18 months, and have been approved for traffic school by a judicial officer. (If this applies to you and you would like to take home study traffic school, you must appear in court and make your request to take home study traffic school to a judicial officer.)

TRAFFIC SCHOOL EXTENSIONS

If you need a time extension, you must contact the court which referred you to traffic school. Neither the CDC nor the DMV have the authority to grant any time extensions. You may also request an extension from the court via the internet at www.lasuperiorcourt.org.

TRAFFIC SCHOOL COMPLETION CERTIFICATE

You must return the original traffic school completion certificate to the court by the due date. However, if you attended an approved internet/home study school, the school will send the original completion certificate directly to the court. **DO NOT SEND THE COMPLETION CERTIFICATE TO CDC/TVSM.**

FEES

In addition to the court fees, a class fee will be charged by the school. While the overall traffic safety information imparted is similar, the methods of instruction and class fees vary. You may call a variety of schools to determine what school you wish to attend.

CANCELLATIONS

With the exception of class cancellations due to exigent circumstances beyond the control of the traffic violator school, should a traffic violator school fail to provide notification of class cancellation to affected students a minimum of 72 hours prior to the start of class, the school shall refer affected students to the County/CDC's published Classroom Location List or other court approved list for selection of another traffic school, or offer an alternate class or location at a fee not to exceed the cost of the Completion Certificate, which currently is \$1.50.

All classes must consist of 400 minutes of instruction, excluding time for registration, breaks, and lunch. It is illegal for a traffic violator instructor to intentionally cut the instruction time short.

NOTICE TO COMMERCIAL DRIVERS REGARDING TRAFFIC VIOLATOR SCHOOL

California Vehicle Code 42005 prohibits drivers with a class A, class B, or commercial class C driver license from attending traffic violator school for the purposes of dismissing and suppressing traffic violations from a driving record. This prohibition applies to any violations issued on September 20, 2005, or later and committed with any class of motor vehicle.

The Traffic Violator School Monitoring Program is a separate legal entity of the Community Development Commission of the County of Los Angeles, and is acting on behalf of the Los Angeles County Superior Court pursuant to State of California Vehicle Code Section 11205.

If you need to contact CDC/TVSM for any reason, please call (800) 555-4452. You may also email CDC/TVSM at tvsm@lacdc.org.

HOME STUDY SCHOOLS

A Note Regarding Home Study Traffic School Course Completion Certificates:

The court requires that home study programs transmit (and re-transmit, if necessary) course completion certificates via fax to the corresponding court location on the citation within eight (8) court business hours of successful completion of the course at no additional cost to the student. Any "expedited" certificate delivery service (i.e. "rush processing", "overnight processing", or similar service) offered by a school for delivery of the certificate to the court is optional and unnecessary. These services will not aid in clearing past-due course completions.

It is the responsibility of each student to complete traffic school on-time and verify that the Court receives the course completion certificate. The Court requires the school to provide notification of course completion to each student at no additional cost. **Keep a copy of this notification.** Students should also check the status of their citation online at www.lasuperiorcourt.org no sooner than 7-10 business days from the date the student successfully completed the course.

For a list of approved Home Study Schools, including Internet, go to www.lasuperiorcourt.org. Under the "Traffic" heading, click on "Traffic School Lists" and scroll to the bottom to "What is Traffic School?" Booklet, Video and Mixed Media Home Study Schools are listed below.
