	IN RE: DIET DRUG CASES	Defendant Counsel	

NATURE OF PROCEEDINGS: **GENERAL STATUS CONFERENCE**

Attorneys appearing on behalf of plaintiffs: Mark Robinson, Carlos Prietto, Jennifer Johnson, Sean Richmond, David Smith, Paul Kiesel, G. Erick Rosemond, Douglas Robins, Gary Paul, Amy Carter, and Eric Ratinoff.

Appearing on behalf of defendants: Mark Spooner, David Sapienza, Tim Bradford, David Stanley, Jennifer Cummings, Stuart Gordon, Eric Meeker, Sonya Choo, Ryan Landis, B. Elliot Johnson, and Terrence Schafer.

Matter is called for hearing.

The Court has read and considered plaintiffs' and defendants' status reports.

Plaintiffs' counsel again represent that there are 2000 intermediate opt-out/back-in cases to be filed and request a new case management order be prepared to affectively manage them.

Defense counsel argue that until the cases are filed, there is no need for a new case management order.

The Court concurs and reminds plaintiffs that the new cases must be filed and organized before the need of a new case management order can be determined.

No further general status conference is set at this time.

All initial status conferences set this date are continued, on the Court's motion, to 7-29-03, at 10:00 a.m., in this department. Counsel for Hackard & Holt to give notice.
