NUNC PRO TUNC ORDER

Through inadvertence and clerical error, the minute order of 11-19-2003 does not fully reflect the order of the Court. Said minute order is corrected, nunc pro tunc, as of that date as follows:

By Deleting: "The Court allows the filing of said motions only in "obvious situations" and suggests defense counsel meet and confer with plaintiffs' counsel prior to the filing of the motions."

By Adding: "Discovery stay remains in effect. The Court suggests counsel meet and confer regarding doctor defendants." All other orders remain in full force and effect.

Paul Kiesel to give notice.
